

# Comparatives and superlatives – ANSWERS

## 1. Read and find.

Find the comparative and superlative adjectives and write them in the boxes.

This is my family. I am **taller** than my brother and sister but my dad is **the tallest**. My mum is a vet and my dad is a teacher. I think being a vet is **more interesting** than being a teacher because you work with animals. I want to be an astronaut – I think this is **the most interesting** job! Being a vet is **easier** than being a teacher though, because teachers have to correct lots of homework. My job is **the easiest** – I'm a student!

taller	the tallest	more interesting
the most interesting	easier	the easiest

We can use **comparatives and superlatives** to compare things and to say which thing is top in a group.

one syllable: tall – taller – **the tallest**

two syllables with 'y': easy – easier – **the easiest**

two or more syllables: interesting – **more interesting** – **the most interesting**

Be careful! good – better – **the best** / bad – worse – **the worst**
